1) A.C. 70/42-43 & 66° for 8.42 for issue of sanction of funds for Rs 380000 required for expenditure for the current official year

Kind reference is invited to the G.I.O.S sanctioning a sum of Rs 50000/- (One lakh Rs to be placed at the disposal of the ISP as an advance for purchase of ARP equipment etc. It is seen from the Statement at ISP that there was a balance of Rs 7111 + odd at the end of May 1942. This Statement for June has not been received so far. Perhaps the ISP may be asked whether in addition to the one lakh sanctioned he requires the present allotment. It is also for consideration whether the ISP may be asked to apply for an advance after the sum of Rs one lakh nearly sanctioned is expended. Subs for perusal pl.

Provision has to be made for the amount asked for by the D.R.C. and an add'l grant obtained in due course. The D.R.C should obtain specific sanction in each case if sanction has not already been given. Hist. ref may also be consulted
